PA or FOI EXEMPTIONS	

Although it proved unnecessary to use a TTD ban in connection with the Kirchentag, it is still desirable to conclude tripartite agreement on some ban mechanism for possible future use. Such an agreement has almost been reached, and the issue which now prevents it does not appear to be very substantive. The Department suggests the following steps to resolve the disagreement:

262.181
7-2661
BI
AS

Any modifications in this approach deemed advisable by the Embassy should be made without necessarily referring them to the Department.
